

Welcome HERO ALUM

Welcome back to HERO Hustler! This is our second newsletter for our alumni and we are excited to continue this project. We have some updates from the unit and a planned alumni event.

HERO is looking forward to reinstating MCI drills and needs your help! If you have any scenarios, MCI must-haves, or stories about your experience with HERO MCI drills please do share!

We would love to obtain an updated form of contact to ensure you stay plugged in. We are hosting our first alumni event this fall and would love any feedback or suggestions of what to do for Alumni weekend in the spring. Stay tuned to learn more about how to sign up for the event!
